

INTRODUCTION

Apex Waterproofing (Pty) Ltd was founded by Richie Napier and Tatum Napier. Leaders in their field of expertise, they came together to create one of South Africa's most trusted waterproofing companies. The company was specifically designed to bring 1st class client service and raise the standard of work in the industry.

Too often, clients are left with unfinished roofs, leaks, numerous call backs and still zero response from companies. And that is what Apex Waterproofing does differently. Our clients are reassured with constant updates, post job reports and honouring of guarantees. This makes us the obvious choice and our clients can relax knowing they are being taken care.

We are equipped with the latest waterproofing solutions and have the necessary staff and resources to ensure the best professional service is provided at all times. Our standard of work is second to none and we strive to be the company you are proud to recommend. Apex Waterproofing (Pty) Ltd specializes in waterproofing, dampproofing, rope access, roof repairs and replacements for the residential, commercial and industrial sector.

VISION

Our vision is to be the most technical and diversely skilled waterproofing company in Gauteng. We are and will remain a name synonymous with quality and value for money services. Apex Waterproofing (Pty) Ltd is a leading company that will exceed expectations and set new standards!
